CATHEDRAL
of the Risen Christ School

A GIFT FOR THEIR FUTURE

Monsignor Robert Tucker Cathedral School Endowment

You can help Cathedral of the Risen Christ provide an outstanding Catholic education to our parish children, while keeping tuition costs as low as possible by donating to the Msgr. Robert Tucker Cathedral School Endowment. The growing cost to educate each child and provide a competitive salary to our teachers requires the support of our parish families. This is why we have created this endowment: to provide a permanent, self-sustaining source of funding that will directly benefit Cathedral of the Risen Christ school.

WHAT IS AN ENDOWMENT?

An endowment is a restricted fund in which the interest earned on the total principal of the fund is distributed each year. The interest from the Monsignor Tucker endowment will fund our parish school. Since only the interest is spent annually, it ensures that the original funds will grow over time and become a lasting source of income for the school. Anyone — whether they are members of the parish or not — can contribute to the fund, in any dollar amount. As funds are added, and the principal grows, so too will the amount of interest earned and distributed to our school!

To help provide for the future of CRC School and the Catholic education of our children, please donate generously to the Msgr. Robert Tucker Cathedral School Endowment. Envelopes will be provided for this important fund with your monthly stewardship envelope mailing.

If you'd like to support this fund with a direct contribution, or initiate a new and similar endowment fund to benefit CRC School, contact the Catholic Foundation of Southern Nebraska at 402.488.2142
